In Re: *AT&T Communications of the South Central States, Inc.*
Tariff to Implement an Intrastate Directory Assistance Charge

Docket No. 99-00757

Dear Mr. Waddell:

On October 4, 1999 AT&T Communications of the South Central States, Inc. filed amended tariff pages in its General Services tariff and its Custom Network Services tariff with respect to Directory Assistance charges. A proper public notice of this filing was filed with the TRA, copy attached.

On investigating the actual publication of the Notice, however, it has been determined that the Notice was published only in the *Nashville Tennessean*.

Accordingly, the tariff pages will be amended to show an effective date of December 6, 1999. Publication of the Notice, with that change, will be made on November 4, 1999 in newspapers with statewide coverage and that way the requirements of the applicable rule will be met.

This matter is on the Agenda for tomorrow's meeting. It is ready for a decision of the merits. AT&T respectfully requests that the Directors approve the subject tariffs tomorrow with an effective date of December 6, 1999, subject to AT&T's filing proof of the publication of the Notice as here represented.
